

Testimonies

Brian Shilhavy

"I heartily recommend **Prayers that Heal the Heart**. ...it is thoroughly practical with its exercises and worksheets. It can definitely be used by the Lord to change your life and break the enemy's power in your life."

Salvatore Cerniglia MS, CRC

"I see more positive longstanding results in the private practice patients utilizing the information taught and cultivated by **Prayers That Heal the Heart** [and the Virklers' other related courses] than any of the counseling theories that you are forced to study in Master's Level Counseling Curriculum.... The difference is changed lives."

Unique aspects of this "Prayer Ministry Counseling" Approach:

- ❖ A person thoroughly processes **one** heart issue at a time, utilizing seven specific prayers.
- ❖ The prayer seminar guides you through one heart issue helping you discover and break **all** the strands to **one** particular heart issue.
- ❖ The "language of the heart" is defined biblically as "spontaneous thoughts, pictures, and emotions." When healing the heart, one must use the language of the heart. You are taught specifically how to do this.

Prayers That Heal the Heart

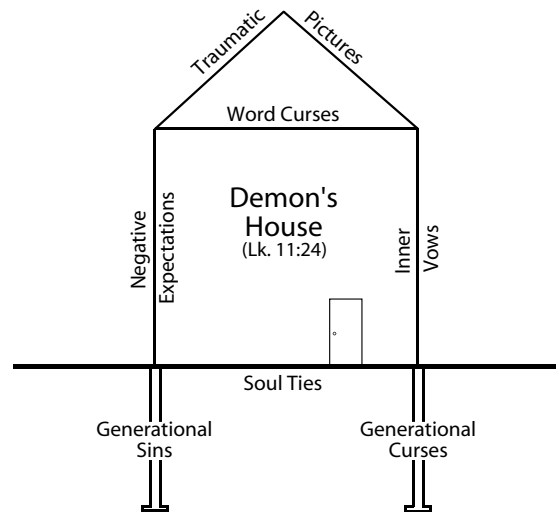

Prayer counseling that breaks every yoke

The Prayers That Heal the Heart seminar takes the seminar participant through seven specific prayers uncovering seven contributing “strands” which feed a wound in one’s heart. A “heart wound” may be a negative emotion or a persistent sin problem such as anger, fear, guilt, or abandonment.

The seven prayers you will be led through in the seminar are:

1. Breaking generational sins and curses
2. Severing ungodly soul ties
3. Replacing negative beliefs
4. Renouncing inner vows
5. Receiving divine visions
6. Breaking word curses
7. Casting out demons
