Don't miss *How-To Blogs for Spirit-Anointed Living* by Dr. Mark Virkler at www.cwgministries.org/blogs/mark-virkler

You can have daily, personal, intimate conversations with the Lord and Creator – and extend the voice of God into every area of your life!

Welcome to all our friends, new and old!

It is a privilege for us to share with you the fruit of the Lord's work in our lives over the last 40 years! From the time I accepted the Lord into my heart as a teenager, I have had within me a great passion to be a "biblical man." I understood the Bible to be God's revelation

"I discovered an amazing truth: the people in the Bible heard and recognized God's voice! It seemed to be normal, accepted, and even expected that God would speak to His children!"

to His people and to contain all the principles we needed to live a life pleasing to Him. As I've devoured the Scriptures, I discovered an amazing truth: the people in the Bible heard

and recognized God's voice! It seemed to be normal, accepted, and even expected that God would speak to His children in a way that they could identify, and they would live out of what they heard! I found such verses as, "My sheep hear My voice...and they follow Me; and I give eternal life to them..." (Jn. 10:27,28). "But I say, walk by the Spirit, and you will not carry out the desire of the flesh...But if you are led by the Spirit, you are not under the Law...If we live by the Spirit, let us also walk by the Spirit" (Gal. 5:16, 18, 25). The New Testament is clear: we are to hear the voice of our Lord and walk in the power of the Holy Spirit. Even in the Old Testament, when David declared "Your word is a lamp to my feet and a light to my path," the Hebrew for "word" means "speech, word, speaking, saying or utterance" (Strong's H1696, H1697).

Spiritual Intimacy – God’s Idea, God’s Passion, God’s Reformation

This revelation set me on a quest to learn to recognize God’s voice within me. The Lord heard my cry and revealed His voice to me, along with a Scriptural way to help bring others into this glorious experience. Then the Lord commissioned me to saturate the world with the message of communion with God – that man could have daily, personal, intimate conversations with the Lord and Creator – and to extend the voice of God into EVERY area of life. My passion is to equip you to do everything as an outcome of your daily conversations with God and to train others to do the same.

May God bless you!

HOW TO HEAR GOD'S VOICE

Have you ever wished you could just sit down and have a long talk with the Lord? That you could recognize the voice of God within your heart with such clarity that you do only what you see the Father doing and say what you hear the Father saying? Jesus promised that His sheep would hear His voice. He is speaking to each of us!

Therefore, everything we teach is based on your ability to hear your Lord's voice within you. That is why we always encourage those new to our ministry to start with our teaching on the four keys to hearing God's voice. This skill is foundational to every aspect of Christianity, so we have made it available

The Secret Place

by William J. Dupley

Our Heavenly Father talks about “the secret place” where we find a promise of protection, safety and communion with God (Ps. 91:1). It is the place where every believer can meet God face to face. This book is an account and description of my secret place with the Lord. It is a place where we can meet, talk about any topic from business to raising children, and receive specific practical words of wisdom directly from God. We can share our true feelings and fears, and develop our relationship with Him. It is a place where our Heavenly Father can father us.

“The Secret Place by Bill Dupley calls to mind the rich devotional lives of influential believers through the ages—Thomas Kelly, Theresa of Avila, Catherine of Genoa. Bill’s ‘secret place’ is clearly the secret to his remarkable life and ministry. Descriptions of his personal intimacy with Father God will catch some by surprise; it will foster a fresh hunger in many, as it did in me, for a renewal of my own secret place. Few 21st century believers demonstrate the supernatural in such a ‘natural’ humble way in their everyday lives as Bill does.”

Pastoral Theology Director, Summit Pacific College

“These materials help us to do what we know to do: stay in God’s Word and to seek His counsel. I have known greater freedom in myself as a result of working through the materials. It is not just academic, but an examination of life and about ourselves.

It is my delight to refer friends and parishioners to them for their own use in their spiritual path.”

Rev. Ronald G. Horst, M. Div.

Rector of Trinity Anglican Church
Brockville Ontario, Canada

“It is with great enthusiasm that I recommend Mark Virkler and Communion with God Ministries. Several years ago, I attended a 4 Keys to Hearing God’s Voice seminar which changed my life. ...it took me beyond a doctrine to an intimate experience. This has had a profound effect on our congregation as many have also done the course and have been released into an exciting way of living. So impressed have we been that we now offer the courses through our own Bible College.”

“My wife and I really have been blessed by Mark’s material. Dialogue with God has revolutionized our walk with God. It has helped our walk to become what we always believed it should be like but we were simply not experiencing.”

Stephen Conroy

“We had Mark come to Kiev and teach over 900 Ukrainians in these same principles and the response was overwhelming, with hundreds expressing a new release of God’s voice in their lives as well as the way they see and understand God’s character. Many pastors are now asking for return visits from Mark. Mark’s book is now being translated into Russian and we are looking forward to many from this former atheistic communist nation to be transformed with 4 Keys to Hearing God’s Voice as one of our primary tools.”

“We use these books in our Bible school and to promote church growth through our cell group program. These books are especially helpful in teaching biblical life principles in a simple, understandable way. The Lord gave Suzanne a series of three different though related dreams about His calling on her life. She says: *“God could not have been any clearer to me than in this dream. I do feel that through this special Christian Dream Interpretation course, and the Communion with God course, God revealed the plan He had for my life. I feel fulfilled and I know without a doubt that God has made me to bring Him glory by teaching others to dance for His glory.”*

Suzanne Cerniglia

“The best teaching I have ever seen on interpreting dreams”

“I have just interviewed Mark Virkler, an extraordinarily gifted man of God who teaches a course on understanding dreams. Mark’s approach is different. He is a very logical teacher. He guarantees after taking his course you will have at least a dream a week and understand them!

*“I took him up on his challenge, and it is working for me. I have had very few literal dreams in my life. And frankly, I usually ignore the symbolic dreams. I call them ‘pizza’ dreams. However, **since I started following Mark’s instructions, I have had dreams and I understand them!** None of the other courses have worked for me. Now I have received major direction! I am so excited when I go to bed and look forward to God speaking to me in my dreams.”*

How to Walk by the Spirit

In this series, Mark invites you to meditate with him on many of the 1200 verses he found in the Bible on heart and spirit, answering two key questions: "What does this verse teach is a possible spirit-level characteristic or feeling?" and "When have I experienced such a spirit sensation? What did it feel like?" The goal is that you develop a vocabulary to describe the spirit, and an awareness of the Holy Spirit's movements within you. You will learn how to radiate Christ out through you, walking by the Spirit.

The Supernatural Church book

This book is designed to be used in a 13-week new members' class of a church which is pursuing intimacy with the Holy Spirit. It introduces people to what a Spirit-anointed church looks like and acts like, and what it believes about the power of God. The chapters are short so that the one who is leading this class can easily enlarge upon a particular emphasis which their church has chosen to focus on. Since people have read the chapter before coming to class, the class time can be a time of life-giving discussion, rather than lecture.

Restoring Health Care as a Ministry book

by Mark Virkler and Dr. Reuben DeHaan

Contrary to the secularized health care system of the western world, the Bible establishes health care as a ministry which falls under the jurisdiction of the priests (Lev. 13:3). Today, God is raising up an approach to vibrant health which incorporates the Bible, Spirit-anointed revelation, the healing power of the Holy Spirit and several biblically-grounded natural lifestyle practices. This book evaluates 31 health care modalities, both traditional and alternative, to see which are compatible with biblical principles, and suggests a methodology which integrates biblical, non-invasive, natural, and spiritual approaches to health care.

Testimonies

EDUCATION AND DOCTRINE

“I have not lost my love and commitment to the written Word of God. It is truly our foundation and the standard by which all revelation is judged. I also am committed to allowing the Author of the Word, the Holy Spirit, to illumine, reveal and interpret the Scriptures, rather than my own finite mind. You will find both the Word and the Spirit are absolutely central to everything I say and teach.”

– Mark Virkler

This guided self-discovery workbook includes 5,000 verses to give you confidence to walk in “true knowledge.”

*"We all know about the Lamad method; I read all about it when I was beginning my studies. But experiencing its effect is something quite different – it's essentially a matter of the heart and the soul. I found **the Lamad approach was marvelously 'stealthy' in creating a personal transformation in me.** It's subtle and gradual, but also continuous and efficient. I can testify to its positive effect in my own life and am grateful for it."*

Not studies *about* God. Encounters *with* God!

Spiritual maturity is not determined by what we know or have heard, but by the lifestyle we live. Jesus warned in the Parable of the Soils (Matt. 13:3-9; Mk. 4:14-20) that many would hear the Word but it would not profit them because they did not do what was necessary to allow it to take root within them.

Mastering a skill is different than learning facts. Academics can be limited to simple memorization, whereas lifestyle changes take time. Our desire is that you not be content with simply filling your mind with new information, but that you commit yourself to being transformed by the knowledge and revelation you receive.

Our recommended packages are designed to help you achieve the goal of spiritual growth. This begins by the power of the Spirit moving in your heart and works itself out in real life changes in the way you think and act in every situation of your life. **They are proven tools for your personal development, and exciting resources for small groups.**

Why These Recommended Packages Are Unique and Perfect for You and Your Group

- DVD training allows you to receive from an anointed teacher on a weekly basis.
- They require only a moderate work load.

Enough work is assigned to help you fully understand and appropriate the life-transforming experience without requiring a major time commitment.

- Many are three months in length – giving you sufficient time to assimilate a new spiritual ability.
- They are inexpensive; students only need to purchase a LEARN notebook and perhaps a book.

What Revelation-Based Learning Includes

- Taking notes to capture what the Lord ministers to your heart as you view the 20 – 60-minute DVD.
- Quiet time to hear and record what the Lord wants to say to you personally through the message.
- Discussion of the main principles of the teaching.
- Practicing and applying the skills that have been taught.
- Review of the lesson during the following week, and going deeper by reading a chapter of a related book.

When this is a shared learning experience, where revelation truth is practiced and applied together in the “classroom,” it approximates the learning experience Jesus offered His disciples. They

heard Him, watched Him, tried it themselves, and then shared their experiences together. It will stimulate each member of your group to leap forward in spiritual growth, as they receive and practice revelation knowledge together.

How to Walk by the Spirit

RECOMMENDED PACKAGE

This training was birthed from Mark's passion to live out of his spirit, and thus release the anointing of God. The foundation of this series is the 1200 Bible verses he discovered. You will look up many (not all – don't worry!) of them, answering two key questions: "What does this verse teach is a possible spirit-level characteristic or feeling?" and "When have I experienced such a spirit sensation? What did it feel like?" The goal is that you come away with a vocabulary to describe the spirit, and an awareness of the Holy Spirit's movements within you. Learn how to radiate Christ through your spirit, how to walk by the Spirit and not carry out the desires of the flesh (Gal. 5:16), and how to live as s(S)pirit-conscious as Jesus did. You will be better able to minister heart-to-heart as you become more sensitive to the spirits of those around you.

Coaching Through Our Personal Spiritual Trainer Program

For only \$1 a day you can have a "Personal Spiritual Trainer" for three months as you work at internalizing any of the books or training series in this catalog. This is a priceless gift, for a coach can speed our progress in mastery of any new skill.

You can **revolutionize your spiritual walk** with a series of manageable, affordable training modules under the guiding presence of the Holy Spirit, and the process can begin even now:

- Think of the most pressing spiritual need you have in your life — it could be a spiritual skill, Bible knowledge, ministry skills, personal healing. Got it?
- You're now ready to choose from over 90 Spirit-anointed training modules to help you address and master that aspect of your spiritual life. A complete list is available at www.cwgministries.org/pst.
- We will assign a Personal Spiritual Trainer for the 3-month duration of your module. You may personally connect with him or her to help you clarify, assimilate and apply what you're learning. Your Personal Spiritual Trainer will be carefully matched to you by gender, age and locality.
- It should only take you 50 minutes a day with the guidance of the Holy Spirit, and you can arrange the timing and method (online or phone) of your sessions to suit your schedule.

Testimonies

"I've never loved learning and taking courses as much as I am loving my coursework through CLU. God is so amazing!"

— Linda Geyer

"My comparison of CLU's curriculum to courses I have taken from four other online colleges:

- *CLU has the most **clear** and **easily followed** course instructions I have seen.*
- *CLU training is **streamlined** and to the point with excellent personal application.*
- *Instructor feedback has been immediate.*

*I am really enjoying my studies and I am learning a great deal. As I teach this material after studying it, it has been a great benefit to my church, while deepening the message within me. Your courses are **so well designed** I can apply the material into sermons as well as Sunday night Bible studies. I have recommended these books to people in my church and my wife is even teaching from them in her women's group. **I have discovered things about seeking God that I did not know existed.** Thank you."*

— Pastor Ernie Jones

*"What to say about Christian Leadership University? Great, **amazing, wonderful, organized, practical**, you can do it, **great subjects.**"*

— Artur Esau
