

Lord, how do we go to war with the enemy and fight them?

- What weapons do we use?
- Will some lose their lives?
- What about being wise as serpents and gentle as doves?

Mark, you go to war using every weapon at your disposal. Nothing is off the table. You fight with every weapon you can get your hands on. This includes prayer, binding and casting down spiritual forces in high places. Calling upon angelic troops to come and fight for you and with you. Asking for Me to send confusion and blindness and weakness into these who despise Me.

These are all your primary weapons. Then secondary weapons are:

The word of your testimony

Your declarations of faith of that which I have spoken both in my *Logos* and by My *Rhemas*

You ask for discernment concerning how to speak, what to speak, the heart of your opponent, and how to best neutralize his animosity toward the Gospel, the good news of salvation. You speak what I say and you act in the ways I instruct you to act.

Will there be casualties? Yes. There are in any war. Am I always there to meet the need? Yes, I NEVER leave or forsake you, regardless of where you find yourself. My peace which passes all understanding will always be available in each and every troubling situation.

Can you blunder and bring needless pain upon your life? Yes, that is why you are to constantly be abiding in Me and hearing from Me and ONLY doing that which I command you to do. That will alleviate much of the pain and much of the casualties.

When you stand before a king, will I tell you what to say? Yes, and again I say yes! I did for Paul, I did for My Son, and I will for you. You prepare ahead of time by being in MY PRESENCE so that My Spirit flows as you speak. All else is fruitless jabbering and of no avail.

Mark, there is a BIG battle raging for the lives of the people upon my earth. The “elites” have their plan. I have My plan. I WILL win. I will prevail. They will FAIL as I will send my heavenly hosts to destroy their fortress. They will fall before my Mighty hand and many will see their devastation and be astonished, saying “How could this happen?” It happens because I have caused it to happen. So prepare for the day of the Lord, the day of vengeance against My enemies. Though it tarry, wait for it, for it shall surely come, saith the Lord of Hosts.

STAND UP for righteousness. STAND UP for freedom. STAND UP for the downtrodden. for behold I do a new thing saith the Lord, something not seen since the beginning of time. Something that will make the whole world wonder and look to Me. It will be a time of great harvest. And all who are willing can participate in it.

Speak this forth, saith the Lord of Hosts. Let those who have ears hear what the Spirit is saying.

Journaling from Jessica...

I asked the Lord what He wanted to say to me about Mark 11:23.

Do not doubt in your spirit, do not consider any other option than the word. If a thought comes up in your mind contrary to my word cast it down immediately. Do not look at the failures of others or your past failures. Know that you can have a victorious life in me; because I died to give you the victory. I did not die so you can have a mediocre life; I died so you can have a victorious life, like heaven on earth. Do not consider anything else. Picture yourself having the victory. Anything less than heaven on earth is sub-standard and not my will for you. You have already won the victory, thank me, and praise me for it. Imagine it as already done.
